## Kawakawa Bay - 6th-9th March 2026

Experience great outdoor rock climbing suited for all levels and well over 100 routes to choose from!. Kawakawa Bay is situated amongst native bush with stunning views and when you're not climbing there's great camping and swimming to be had. Kawakawa Bay can only be accessed via boat, bike or walking. Which means you drop off your gear with the boat in Kinloch that TAC has arranged and paid for, then a lovely hike/bike to the bay where your gear can be collected. It is approximately 1½ hours walk or a 45min bike ride from Kinloch to reach the camping area at KBay. This is a self-led trip with no instruction, therefore experience in outdoor climbing is a must along with basic climbing equipment. You can hire out climbing equipment from the Gear Officer.

Boat times: leaving Kinloch Friday 6th at 2pm and returning Monday 9th at 9am.

For more information regarding this trip, please contact Lindsey Stones 020 4120 9414.

Please contact the Trips Co-Ordinator (details above) to register.

## Social Events

### 28th March 2026 - Pot Luck Dinner with Special Guest

#### Speakers

##### **Jamie McGuinness and his partner, Esther**

Following the special club night on 26th March 2026 (see below), a pot luck dinner at Tahurangi lodge will provide the opportunity to chat to Jamie and Esther, and ask them questions.

Jamie and Esther have a vast knowledge (a lot of it lived by being there) of Himalayan climbing history, trekking and climbing in Nepal, Ladakh, the Karakoram, etc. Jamie is also passionate about the 1924 Mallory/Irvine mystery. He may give us a talk on this at the lodge, including organizing the 2019 National Geographic Expedition which searched for Irvine's body. His insights into the 1924 mystery are fascinating.

The plan is:

- Mid-afternoon onwards – drinks and nibbles (bring a contribution).
- 6.30pm - pot luck dinner (bring a contribution).

Let's see how the evening develops. A great chance to socialize with Jamie and Esther and your fellow passionate hills people.

This evening is limited to TAC and NZAC (Taranaki Section) members only, due to limited lodge sleeping capacity.

Contact Alec Heilbron on 027 653 6911 for more information.

### **Jamie McGuinness – Climbing 8000M Peaks**

Jamie McGuinness has spent decades, and is still, climbing and exploring in Nepal, Mustang, Ladakh, Northern India, etc. He has summited Everest 6 times (from both sides), and other 8000ers. While he says he doesn't climb anymore - it's all about the exploration and photography now - he still pops up 6000+m peaks whenever the opportunity arises on his exploratory treks. We are privileged to have Jamie, accompanied by his partner Esther, give us a talk on Thursday 26 March 2026 – the brief being "give an inspirational talk on Climbing 8000ers".

Jamie has said "I will focus on inspiration of how to get into mountaineering in the Himalaya and Karakorum, with an intro on how I started, and the close shaves I had on my first expeditions, and how to hopefully avoid those experiences. These themes will be intertwined with my climb of the true summit of Broad Peak as the first Kiwi. I would also very briefly intro the different climbing and trekking opportunities in Ladakh, mentioning how in this heavily trekked world, we meet few/no other trekkers out there."

This evening is open to TAC, NZAC (Taranaki section) and EAC members only. The plan for the evening is:

- 7pm – 8pm Mix and Mingle – bar open, TAC provided BBQ, and some other kai.
- 8pm – 9.30pm Jamie McGuinness presentation and question time.
